---

DATE OF SALE .....

The hereby warranty confirms the high quality and proper operation of the product.

Warranty is valid for 12 month from the date of sale.

Warranty obliges the producer to remove free of charge all defects of the sold product in 14 days from the delivery of a faulty product to the service.

---

**WARRANTY CONDITIONS**

1. Exploitation of the device should be performed in accordance with its destination and the User's Manual.
2. The guarantee expires in the following cases:
  - Breaking of the leaden seal,
  - Mechanical damages,
  - Damages caused by improper exploitation,
  - Corrections in the Warranty Certificate, unless changes were introduced by the producer.

---

The guarantee does not include damages occurred during the transportation.

3. Warranty Certificate is valid together with the Sale Receipt.
